## Mission and History

Our Lady of Humility Parish is located in Beach Park. As a Catholic faith community, we provide opportunities for worship as well as service. Both adult and child faith formation are an integral part of our parish.

In 1958, the Sisters of the Holy Child Jesus founded our school with the goal of educating children in a spirit of simplicity, joy, trust, and respect for the individual.

Our school has served the educational needs of students for the past 50 years and has as its mission, "To actively engage the minds and spirits of all young people through a Christ-centered education, fostering success and responsibility, one child at a time."

Catholic  
and  
Excellent!

## Academic Excellence

Catholic educators encourage each student to claim excellence as a personal standard in the pursuit of life-long learning. We provide instruction and resources to address the evolving and diverse needs of youth, enabling them to be leaders and influence a world of increasing complexity and accelerated change. Our teachers, all of whom are state certified and many of whom hold advanced degrees, care for each child as if they were their own. Their on-going professional and religious development is the foundation of our program.

We are happy to have you as new neighbors to our parish and school! If you would like to learn more about our school or parish, please feel free to contact us.
